Ms. Kelsey Hample
Department of Economics
Box 8110
NC State University

Dear Ms. Hample:

The Office of Faculty Development has created the Thank a Teacher Program as a way to honor NC State faculty who have made a difference in students' lives. One of your students has provided these comments to thank you for your efforts and positive impact as a teacher.

Thank you so much for being a fantastic instructor. I have thoroughly enjoyed the class. It is rare to see a teacher so well organized and able to teach, let alone one with a great sense of humor. I know you will go on to do incredible things beyond receiving your doctorate degree. Thank you for making one of the roughest semesters I've had at NCSU better. It means a lot to me.

-- Anonymous

Your efforts with this student are a reflection of your dedication to teaching and learning. I congratulate you on this recognition and offer my sincere appreciation for your work with students at NC State.

Sincerely,

Warwick A. Arden
Provost and Executive Vice Chancellor
