North Carolina State University

Department of Economics
2801 Founders Dr.
4102 Nelson Hall
Raleigh, NC 27695

Education

North Carolina State University (NCSU), Raleigh, NC

Ph.D., Economics

(Expected May 2017)

M.A., Economics

(Dec. 2013)

Dissertation

Experimental Techniques Applied to Development Economics

Committee: Robert Hammond (chair), Mitch Renkow, Zachary Brown, Erin O. Sills

Western Illinois University (WIU), Macomb, IL

(2010-2011)

Mathematics major course work

Illinois Wesleyan University (IWU), Bloomington, IL

(2006-2010)

B.A., Economics, Minor: Psychology; Graduated with Honors, *summa cum laude*

Honors Thesis: *Intergenerational Transmission of Parental Human Capital Among Immigrant Families*

Teaching Experience

Economics Department, NCSU

(F2012-present)

Independent Instructor: Development Economics, EC 495

(F2016-Sp2017)

Conceptualized and developed the course as a special topics offering

Independent Instructor: Data Analysis for Economists, EC 351

(F2015-Sp2017)

Independent Instructor: Intermediate Microeconomics, EC 301

(Sp2016)

Independent Instructor: Environmental Economics, ARE 336

(F2014-F2015)

Independent Instructor: Principles of Macroeconomics, EC 202

(F2013-Sp2014)

Lab Instructor: Fundamentals of Economics, EC 205

(F2012-Sp2013)

Professional Development

Certificate of Accomplishment in Teaching (CoAT)

(December 2013)

Through seminars, critical reflection, and application, participants learn fundamental components of pedagogy, enriching their personal growth and professional development in teaching and learning. My work in the program culminated in a teaching portfolio that was assessed and approved.

Fundamentals in Teaching Workshops (FIT)

(F2012-F2012)

Workshop series designed to provide training and support for graduate students interested in learning the concepts of teaching, engaging students, and creating learning environments. I completed 6 workshops.

Economics Graduate Teaching Assistant Training Program

(August 2011)

Awards & Honors

Recipient: Thank a Teacher

(Sp2015)

Anonymous and optional program to thank teachers who have "gone above and beyond."

"Thank you so much for being a fantastic instructor. I have thoroughly enjoyed the class. It is rare to see a teacher so well organized and able to teach, let alone one with a great sense of humor. I know you will go on to do incredible things beyond receiving your doctorate degree. Thank you for making one of the roughest semesters I've had at NCSU better. It means a lot to me."

Teaching Assistantship: Economics Graduate Program

(F2011-Sp2016)

Invited Lectures

Grad School: How to Get in and Get Through (IWU)

(Nov, 2016)

Writing in Economics, ECG 580 & EC 480, Guest Lecturer (NCSU)

(F2014)

Research

Interests

Experimental, Microeconomic Development, Behavioral, Environmental, Labor

Job Market Paper

Formal Insurance in Social Networks: Laboratory Evidence from the US and Kenya

This paper combines main findings and discussion from the two working papers listed below.

Working Papers

Formal Insurance for the Informally Insured: Experimental Considerations

Formal Insurance for the Informally Insured: Cross-Cultural Considerations

Work in Progress

Effects of Improved Cookstove Use on Fuelwood Demand

The Impact of Human Capital, Family Characteristics and Country of Origin on the Poverty

Status of Immigrant Women (*with Michael Seeborg*)

Awards & Honors

Recipient: John W. Pope Foundation grant (\$7,000) (December 2014)

Applied for and received this grant as sole principal investigator

Graduate Student Workshop in Experimental Economics, IFREE (January 2014)

Applied for and was selected to participate in the week long workshop

The International Foundation for Research in Experimental Economics (IFREE) was founded by Vernon Smith, who led some discussions in the workshop.

Publications in Refereed Journals

Intergenerational Transmission of Parental Human Capital Among Immigrant Families.

-Undergraduate Economic Review (UER) (2011)

-Carroll Round Proceedings (2010)

-Park Place Economist (2010)

Invited Presentations

Formal Insurance in Social Networks: Laboratory Evidence from the US and Kenya

-North Carolina State University Microeconomics Workshop Series (Oct, 2016)

-Illinois Wesleyan University (Nov, 2016)

Convention Papers

REACTING to a Rebound? An Econometric Analysis of Fuelwood Demand Responses to a Randomized Controlled Experiment with Improved Cookstoves in Northern Ghana

-Presented at *United States Society for Ecological Economics (USSEE)*: Macalaster Univ. (6/2017)

Intergenerational Transmission of Parental Human Capital Among Immigrant Families.

-Presented at *Carroll Round Proceedings*: Georgetown University (2010)

-Presented at *John Wesley Powell Conference*: Illinois Wesleyan University (2010)

Same Sex Conversations Among Young Women and Men; Topics and Objectives (with Judith Dallinger)

-Presented at Organization for the Study of Communication, Language, and Gender (2004)

Additional Professional Experience

Economics Department, NCSU (F2011-present)

Research Assistant: Dr. Laura Taylor (F2015)

Wrote press releases of department work and awards

Grader: Public Finance, EC 410 (Sp2015)

Grader: Introduction to Economic Research, EC 480 (F2014)

Grader: Writing in Economics, ECG 580 (F2014)

Research Assistant: Dr. Robert Hammond (summer 2014)

Assisted in simulation coding, literature review, editing

TA: Principles of Microeconomics, EC 201 (F2011-Sp2012)

Lab Research

Experimental Economics Lab, NCSU

(Sp2014-F2015)

Collected dissertation experimental data, ran 5 sessions of 30 participants

(Sp2014-F2015)

Guest Researcher, Busara Center for Behavioral Economics, Nairobi, Kenya

(July 2015)

Worked with employees to set up and translate dissertation experiment

Helped to run 7 sessions of 12 participants

College of Agriculture and Life Sciences (CALs), NCSU*(F2015-F2016)*

Graduate Training Assistant, Mr. Jose Cisneros, CALS Global Programs Liaison

Acted as liaison for professional agricultural trainees from Kenya, South Africa, China, and Moldova

Led tours throughout North Carolina, facilitated meetings with agriculture professionals and experts.

Economics Department, IWU*(2006-2010)*

Lab Assistant, Tutor

(2009-2010)

Research Assistant, Chair and Associate Professor Dr. Leekley

*(2009-2010)*Edited the textbook *Applied Statistics for Business and Economics*, Dr. Leekley

Technical Skills

Proficiency in: Stata, Ztree, SPSS, LaTeX

Working Knowledge in: SAS, R, Matlab, oTree

Intermediate Spanish

ServicePark Place Economist – *Technical Editor and Referee**(2009-2010)*Undergraduate Economics Review – *Associate Editor**(2009-2010)***Professional Affiliations**
